

# INTRODUCE YOURSELF!

In the video, Stacie introduced herself in Anishinaabemowin. This statement told her place in the world. She said her **name** and also included how she was connected to other **people** and **places**.

Using this same idea, **introduce yourself** by sharing your connection to the world around you using the structure below.

Hello.

My Name is \_\_\_\_\_

My cultural heritage is \_\_\_\_\_

I am originally from \_\_\_\_\_,

I currently live in \_\_\_\_\_,

*Consider how easy it would be to get to know someone if you knew some much interesting information from their introduction alone!*

Is there any additional information about yourself that you'd include?  
Write it below.
